# MSS fibre systems
Fibre Optic Product Supplier

MSS Flat Coupler Panels
Product Details:

MSS Flat Coupler Panels support a wide variety of panel configurations including ST Simplex, SC Duplex, SC Simplex, LC Duplex and MTRJ and also numbered if required. Our coupler panels are made from steel and clip into the MSS Rack Mount and Wall Box range of modular Enclosures.

Our Coupler Panels use simple but effective push and pull locking clips to secure. Custom configurations are available.

Flat Coupler Panel Dimensions:

159mm — 27mm

PNL-BLK-F

159mm — 27mm

PNL-SC12-D-F1/12
